Therefore we believe:

- become effective communicators through connecting and contributing to their world.
- and we support and celebrate differences while fostering their sense of identity and well-being in order to

Our philosophy is founded on our knowledge that early childhood development focuses on the whole child.

FAMILIES: Knowledge that they provide, value the skills they bring and the families and the community, and we is welcoming and supportive to all which is provide an environment which

PROGRAM: Learning success.

ENVIRONMENT: Children.

SAFE: Change.

CHILDREN: We believe that each child is a unique individual possessing a range of skills.

PARENTS: Our curriculum focus with input from staff, through having a strong play based approach of understanding the child.

At Risdon Park South Kindergarten our mission:

- provide a safe, nurturing and stimulating child-centered environment which is calm, supportive, environment
- we believe children learn best in an
- environment
- we believe learning occurs through Play-based Learning that is meaningful and powerful, and effective long
- recognition, resilience and curiosity to
- inquisitive, imaginative, independent,
- develop the mind.
- develop each child.
- diversity and foster each child to
- knowledge, interests, beliefs, cultures.
- we believe children who possess skills to deal with uncertainty and
- resilient, resilient, resilient,
- and capable, enthusiastic, learn and
- create an enriching environment for
- therefore we believe:
